Dear Parent and Caregivers

I hope that many of you have had an opportunity to meet and get to know your child's class teacher. Many students have settled in very quickly in these first few weeks and are already completing some fantastic work in their lessons.

This week the whole school (Pre-Primary – Year 6) began the morning fitness program. It has been wonderful to see all the students out and participating in all the different activities. I would like to thank Mrs Williamson for her coordination of the program but I would especially like to congratulate our year six students who have taken up leadership of the program and are doing a fantastic job. Well Done!

Congratulations parents on the level of uniforms being worn by the students. So many students have taken up the school/faction hat option and when we see everyone on the oval it looks fantastic.

I would also like to thank the families who have paid their voluntary contribution for 2018. This money goes a long way to supporting your child and our school in providing exciting educational programs at Leda PS.

Next week the P&C will hold their AGM on Wednesday February 21 and I look forward to the opportunity to meet parents attending this event. Fundraising support is also important to our school community to support educational programs and the infrastructural needs of the school.

The first 2018 School Board meeting will be held on Friday February 23 and high on the agenda will be how we can work together to promote the best possible outcomes for our school community.

Kind regards

Mrs Knight - Principal

ESC News

Hi everyone

Most children have had a great start to the year and settled in nicely to class and school routines. Please remember that we support and promote healthy lifestyle choices and as such children are required to wear school hats when outside, bring a water bottle to school and have healthy choices for recess and lunch, and treats in moderation.

Weekly swimming lessons have commenced but will be suspended for Weeks 6 & 7 while students have the opportunity to attend the 2 week block of in-term swimming. If you wish your child to participate please bring in the signed permission note and money to your child's class teacher.

Our school Chaplain, Allana Vegar has been busy building on her existing community connections and making contact with parents, staff and students.

I would like to formally welcome Karen Powell and Brian & Beryl Smith to our School Board all of whom are parents and caregivers of children in our Centre. Our first meeting is on Thursday 1st March at 9-30am.

Please remember to pay your school fees.

Thank you,

Mrs Howorth - ESC Principal

The year 6 students are doing a first-rate job of leading the classes in the activities. It has been fantastic to see so many students in school uniform and wearing their SunSmart hats.

Updating your address and phone numbers

We often need to contact families, or their emergency contacts, and rely upon parents to keep us informed of current addresses and daytime work phone numbers in particular. Over the coming weeks all students will be issued with a student update form. Parents are asked to check the information carefully and make changes if necessary. Please return your form to the office as soon as possible. Thank you for your support.

Don't forget to shop at Coles and collect your Sports for School vouchers and place them in the box at the shop or you can drop them into the office. Receive one voucher for every \$10 spent. Thank you for your support.
