Dear Parents/ Guardians,

After the recent parent survey and following school board consultation the 2018 Leavers shirts will be Red with Black Trim and students names will be printed on the back

Your child _____ has been sized by the class teachers. The size chosen for your child is _____. If you have any concerns please see your class teacher immediately so we can adjust the order.

Cost of shirt: \$35.00

Due Date: 6th April Term 1 Week 10

Please note as shirt costs are due to bulk order this will be the only opportunity to place an order for 2018. You may order more than one shirt if you wish We are trying our best to have the shirts available as soon as possible as the students are excited to have them.

Students names: Please complete the slip below correctly in order to have your child's name printed on the shirt. Firstly, ensure you print your child's name clearly as this will be the name printed on the shirt. Some parents may choose to shorten their child's name e.g. Matthew Smith can be shortened to Matt Smith. We can only print names if we receive permission from a legal guardian. If you are not ordering a shirt you can still choose to have your child's name printed on the shirt as a member of the leavers classes.

Thank you

Year 6 Team
