Dear parents, carers and guardians

Uniforms: Our uniforms are now supplied from Lowes in the Kwinana Marketplace. It is fantastic to see so many of our students wearing their Leda uniform with pride. During this cold weather it is useful for all students to have a sweater or jacket to wear. Please make sure that it is red. It does not have to have the school logo on it, a plain red sweater, fleece or jacket is acceptable but wearing the school colours gives all students a sense of belonging. We are all proud to be a part of Leda Primary and wearing the school colours shows that.

Art work for NAIDOC week: Our classes have been combining to produce some amazing art pieces that will be on show at the Darius Wells centre in Kwinana during NAIDOC week. Please make the time to go and have a look. The students have worked really hard to produce this work and the results are truly stunning.

P and C: On the last day of Term 2 the P and C are having a fundraiser. For a gold coin donation, your child can come to school in free dress. Please note however, no short shorts, midriff tops or tee shirts with unsuitable logos will be allowed.

The wonderful ladies from the P & C will also be putting on a sausage sizzle at school on Saturday 2nd July. The school will be used as a voting centre for the elections and our amazing ladies will be there to provide you with something to eat while you wait in line to vote. Please support them in their endeavour. If you have an hour or two to spare on the day, they would also be very grateful for any help that you can provide.

Mrs Jones-Rowbottom - Principal

Hi everyone

I can’t believe that we are almost at the end of Term 2, it’s flown by. Teachers have prepared their Semester One reports and meetings are being held. Our numbers are growing, we currently have 46 students enrolled and I continue to receive calls from interested parents for Kindy placements in 2017.

New winter jumpers are in the front office and letters have gone home. If you would like to order one please speak with Mrs Lucken or Mrs Barrodeen.

Welcome back to Sarah Rogers our school Chaplain who has been on extended leave this term. We have already set some wonderful things in motion for the rest of the year and I am quite excited about that, more to come soon.

Next term we will welcome some new faces to our Centre: Mrs Shaw, Mrs Rotondella, Mrs Baleem have all been employed as Education Assistants on fixed term contracts until the end of the year.

Congratulations to Mrs Edwards who has achieved permanency in her current Education Assistant role.

Next term the children return to school on Tuesday 19th July. The Monday is a school development day and all Education Assistants will be attending a conference at Gilmore College. This was an initiative of the Peron Education Support Alliance (PESA) Network of Education Support Schools in Rockingham/Kwinana. Leda ESC took the lead in the organisation and many thanks to Mrs Lucken, our School Officer, who has worked with me to plan the concurrent sessions, liaised with 16 schools and the presenters to ensure that all EA’s receive top quality training. Teachers will remain at school planning and engaging in their own professional learning.

Have a wonderful break, be safe and I look forward to seeing you all in Term 3.

Mrs Howorth - ESC Principal
Thank you to Miss Rio and the students of Room 7 for their assembly item last week which was based around the six values or special words that are used everyday by the Year 6 students. The students created scripts, came up with dance moves and selected the music in relation to the 6 values, and as usual they did a fantastic job of presenting their assembly in front of the whole school and the wider community.

Congratulations to the Honour Certificate winners: Mariah and Janiru Rm 1, Lillian and Macey Rm 2, Mieszko and Cameron Rm 3, Mark and Ella Rm 4, Piper and Jason Rm 5, Kaylah and Teeghan Rm 7, Isabelle and Elijah Rm 9, Rachel and Memphis Rm 10, Axel and Seth Rm 11, Curtis and Phillip Rm 14, Dylan and Mia Rm 15, Lana and Armani Rm 16, Savannah and Nakita Rm 23, Rocky and Alaska Rm 24, Tahlia and Callum Rm 25, Emma and Jovan Rm 21.

Nationally Consistent Collection of Data for School Students with Disability

Our school is part of a national project about students with disability and/or learning difficulties. We have been asked to provide data about the number and learning needs of the children at our school. The name of the school and the name of the students will not be reported. Information about the different types of needs and the programs and resources the school uses to overcome barriers and support children with special educational needs will be collected. This information will be collected in Week 3 of Term 3. We believe it is important to contribute to this because it will help Governments and the Department develop better policies that acknowledge the level of resources needed in schools to meet the needs of all students in Western Australia.

If you would like any further information you can visit http://det.wa.edu.au/supportforschools

Paint the Town REaD

Paint the Town REaD works to promote communities across Australia to read, talk, sing and rhyme with their children so they’re ready to learn to read and write at school. In partnership with Local Governments and The Smith Family, this year, students were invited from all the local schools to design a mascot. Congratulations to our winners: Shannae and Teehan Babb. Shannah research about birds and felt that the Black Cockatoo was the most appropriate and then Teeghan designed and drew the Mascot. Their coloured design will be made up and used as the Mascot to promote Literacy in the Kwinana area. AMAZING - well done girls!!

Chaplain’s Corner

Here are few great tips from the Fathering Project about encouraging your kids! Sarah Rogers - Chaplain

Build up your child’s confidence by encouraging him or her to step out of their comfort zone to try new things, and by noticing and praising their efforts. Encourage your children to be the best that they can be. Whether it is in school work, sporting activity or any other endeavour, the important thing is that they challenge themselves.

• Don’t compare your children to each other, to their friends or to yourself
• Make sure you notice and praise their efforts
• Let your children know you love them, no matter what.
