Dear parents, carers and guardians

Our school disco was held last Friday. I really enjoyed seeing all the students having such a fun time. The smiles I saw seemed to be a mile wide and there were some seriously cool dance moves on display. Thanks to all parents who brought their children and picked them up at the end of the night. A huge thank you to all our staff who made the night such a success!

Faction Carnival Friday 9th September: Unless the weather is horrid we will be dressed in our faction colours and spending the day on the oval. We would like to invite all parents to come and join us and cheer your children on.

Book week: Thank you to everyone who came to our book fair. I hope you enjoy reading your new books with your children. Also, a big thank you to all parents who went to the trouble of creating a costume for their children. At the special assembly on Wednesday there were some truly inventive costumes.

Literacy and numeracy week: This week has been literacy and numeracy week. We have been having class challenges in numeracy and classes have been competing with each other for a daily prize. Mrs Bewetz has set some really tricky challenges but it has been fun trying to work them out.

Jump Jam competition: For the first time ever our amazing Leda students are going to Yokine to take part in a Jump Jam competition. The two teams have been Practising hard during recesses and lunches and after school. Miss Rio, Mrs Hart, Miss Lutey, Miss Rutherford and Miss Peacock will be going with them. We will let you know how they go in the next newsletter.

Principal - Mrs Jones-Rowbottom
Well done to Miss McSween Room 5 for their fun and educational assembly item about ‘water’. They shared facts about water and sang a song about the water cycle. The students wore blue and had streamers attached to their wrists. All presenters were given a bottle of water to ensure they stayed hydrated. There were some funny moments especially catching Miss McBride as she got out of the shower! The kids did an amazing job.
