Hi everyone,
Welcome back to Term 4. Thank you to Mrs Sharon Gabin for undertaking the role of Principal for the last two weeks of Term 3, she did a wonderful job.

One of Mrs Gabin’s very important duties included supporting Mrs Sarah Rogers, our school chaplain, to run the Movie Night on the oval. Even though the rain tried to dampen spirits I am reliably informed that the evening was a success. If you did attend and would like to provide feedback please make your way to the front office and ask for Natalie Lucken – we will make sure that our next event is even bigger and better (Mrs Rogers is already talking about the next Movie Night).

Over the holidays our Undercover Sensory Area was completed and we now have an additional, shaded area for our students to engage in activities. This area is next to Mrs Pearson’s room so next time you visit come and take a look. Many thanks to David from D F Limestone and Landscaping for the wonderful work he did to make this area usable. Our mini gardens (kindly made and donated by Mrs Sonya Dainton) will take pride of place.

Staff have also been busy updating the toilet/laundry with a wall mural and some new curtains. They have also built a sensory wall with a range of activities and are currently developing part of the existing sensory room into a dark area to further delight the senses.

Just a reminder to everyone that our next Board Meeting is on Wednesday 9th November @ 9.30am in the conference room. This will be an open meeting – everyone is invited to attend and find out what role the Board plays in supporting our school.

Room 10 performed a circus themed assembly item on Friday, 23 September. There were acrobats, jugglers, magicians, clowns and animal and trainer acts. It was very colourful. The main act was the death defying ‘saw the boy in half’ performance by the Amazing Sean and his beautiful assistant, Jasmine. Ms Rann was a little nervous sawing one of her students in half but luckily the magician was able to put him back together. A great performance to finish the term with!!

The movie screen and licence was very generously donated by Councillor Matthew Whitfield (Baldivis) who even remained to help pack away. It was a fantastic evening for parents and caregivers to spend some quality time with their children.
